

Tri-County RVTHS Program Advisory Committee Board Members Wanted

Tri-County Regional Vocational Technical High School is seeking involvement in our Program Advisory Committee. A Program Advisory Committee consists of representatives of local business and industry, organized labor, post-secondary institutions, parents/guardians, students and representatives from registered apprenticeship programs. We are reaching out to area professionals and requesting them to work with us as Program Advisory Committee members in enhancing our career/vocational technical education program. We welcome all persons with disabilities, racial or linguistic minorities, and non-traditional gender.

The responsibility of the Program Advisory Committee is to advise, assist and support school personnel in order to improve planning, operation and evaluation in its program area. The Program Advisory Committee meets two times each school year (spring and fall). Meetings are held at Tri-County.

If you are interested in serving on the Program Advisory Committee, please complete the enclosed Letter of Intent and return it to Jean George, Director of Vocational Education. We recognize that it may not be possible to attend all meetings, so please consider joining our Advisory Committee, even if you are unable to attend a meeting.

If you have any questions, please contact:
