March 26, 2020

Dear Tri-County Families and Faculty/Staff,

As I am sure you are now aware, yesterday, Governor Baker extended the closure of all public schools until May 4th in response to the coronavirus pandemic.

In conjunction with this action, the Commissioner of the Department of Elementary and Secondary Education (DESE), Jeffrey Riley, issued Remote Learning Recommendations to all School Districts this afternoon. Our Principal, Mike Procaccini, will be reaching out to all parents, faculty and staff early next week after we have completely reviewed the Commissioner's Remote Learning Recommendations.

All of our administrators, teachers, counselors and staff are committed to all of the students at Tri-County. While we all realize the need to provide some form of remote learning to our students, Commissioner Riley aptly indicated that the safety and well-being of students, families and staff must continue to be our top priority as an educational community. We are focused not only on physical health and safety, but also on social-emotional and mental health needs.

As we continue to move forward during these unprecedented times, please feel free to reach out to me by phone or email if you have any questions. Please stay safe and hopefully we will all return to normalcy in May.

Sincerely,

Stephen F Dockray
