Dear Applicants and Parents/Guardians,

Tri-County continues to closely monitor the developing situation regarding COVID-19 (Coronavirus). Following Governor Charlie Baker's announcement ordering school closures, Tri-County RVTHS will remain closed through April 6, 2020.

This also comes after consultation with our local boards of health and medical and scientific experts in our communities, reviewing recommendations from the Centers for Disease Control and Prevention (CDC), Massachusetts Department of Public Health, and Massachusetts Department of Elementary and Secondary Education. We considered the impact of the virus on the vulnerable members of our communities and recognized the challenges of fostering learning in the atmosphere of uncertainty created by this unprecedented situation.

Due to this development, decision letters for applicants will be delayed and the Placement Test scheduled for April 4, 2020 will be moved to a later date. After Monday, April 6, we will reassess the impact of the on the admissions timeline at Tri-County and decide the next course of action.

We encourage you to stay updated by checking the CDC's website, which provides daily updates and recommendations, and to check our website (www.tri-county.us) for any updates regarding Tri-County. We, at Tri-County, remain deeply committed to all of our students and staff member's wellness and safety and will continue to share any new and pertinent information with you as the situation evolves.

Thank you for your patience and support.

Sincerely,

Tri-County Admissions Team
