

# Tri-County RVTHS Summer School – 2020

July 6, 2020 through July 23, 2020  
147 Pond Street • Franklin, MA 02038 • 508-528-5400

---

This year, Tri-County will be utilizing the Apex tutorial program, itsLearning, and Google Meet, during a hybrid virtual summer school. There will be a daily mandatory morning meeting check-in, with scheduled individual check-ins throughout the day. There will be an assignment due every day or every other day, depending on the length of the assignment. ItsLearning will provide for a custom curriculum created by each teacher to be more accessible for all students and adapted to accommodate students on IEPs. Curriculums using Apex will allow students to complete computerized learning modules at their own pace. The modules are adaptive and students will be given additional information based on their need to learn prior topics. This need is determined by pretest scores in each unit. The module will provide many opportunities to learn and practice content and skills. Student learning results will be measured by a post-test in each topic. Teachers will also assist students and will provide additional materials and instruction on an individual, as-needed basis.

Classes will run 9:00 – 11:30am or 11:30 – 2:00pm. Classes begin Monday, July 6 and run Monday through Thursday for three weeks, ending July 23. Students **must** complete 30 hours per class and must earn a 70% to pass a summer school class. Students may *not* make-up more than two classes during summer school. Summer school teachers feel confident they can work with students individually through Google Meet to answer questions and offer support. If a student needs one-on-one, in person support, the student can make appointments with the teacher, to come in to school during their class time. Transportation for any in person meetings will **not** be provided by Tri-County. Students and teachers will be required to follow the DESE health protocols for all in person meetings. Parents/guardians may wait in their car or in our foyer lobby.

For History or Science, you may choose which session you want to attend if you only owe one class or both of those classes. Chemistry, however will take place during the 11:30-2:00 pm session. If you owe an English or a math class, please follow the schedule below. If you have any questions, please call Melissa Beckmann at 508-528-5400 X258.
