

Spanish (SPA-101 & 102) Student & Parent Agreement

Bristol Community College course Description: This course offers beginning training in the four skills: reading, writing, speaking and aural comprehension. An introduction to Hispanic culture is included. One hour of laboratory practice is required.

**Spanish is not a graduation requirement. This course is offered under stringent prerequisites due to the challenging nature of the course and the outcome, if passed, of obtaining 3 college credits from Bristol Community College and 6 credits (equivalent) at an honors level will be added to the Tri-County Transcript.*

Requirements: Students must have earned a 3.0 GPA (weighted) and meet two of the following requirements to request to be enrolled in this course:

- Honors or AP level English with a B- or better
- Passing all courses with a B or better
- Have taken and passed another Spanish course with an B or better
- Permission from the school principal

If more eligible students enroll than there is space available, priority will be decided by administration based on intention, grades, and attendance.

By signing, I recognize that I will attend every class meeting. I understand that the expectation is that I will complete all assignments and will not be given an opportunity to withdraw. If I stop attending or I am asked to leave the course, a permanent college transcript will be generated that includes a failing grade. The grade earned in this course will be included in my Tri-County GPA & Class Rank. **The \$100.00 book fee is non-refundable.**
