TRI-COUNTY REGIONAL VOCATIONAL TECHNICAL HIGH SCHOOL ADMISSIONS POLICY AND PROCEDURES (Rev. 9/7/21)

I. ADMISSIONS

An admissions process is necessary in vocational-technical schools where space is a limiting factor. Vocational-technical programs and laboratories are designed and equipped to serve a specific maximum number of students safely. Consequently, a complex of such shops and laboratories lacks both the space and flexibility to accommodate the possible needs and/or interests of all applicants. When more students apply than there is space for, a selection process is necessary to determine which applicants may most benefit from such educational opportunities. All applicants to grades nine through twelve at Tri-County Regional Vocational Technical High School will be evaluated using the criteria contained in this Admissions Policy. The Tri-County Regional Vocational Technical School District Committee approved this policy on September 15, 2021, Tri-County Regional Vocational Technical High School's admission policy is on file at the Department of Elementary and Secondary Education.

II. EQUAL EDUCATION OPPORTUNITY

Tri-County Regional Vocational Technical High School admits students and makes available to them its programs, privileges, and courses of study without regard to race, color, sex, gender identity, religion, national origin, sexual orientation, or disability.

If a student's primary home language is not English, Tri-County Regional Vocational Technical High School will provide them with an application form in their home language. Please contact our Admissions Office at (508) 528-5400 x125 or mcnamara@tri-county.us if you have questions or need help filling out the application form.

Tri-County Regional Vocational Technical High School is committed to providing educational opportunities to students experiencing homelessness. Please contact Tri-County Regional Vocational Technical High School's liaison, Scott O'Brien at obrien@tri-county.us, by phone: (508) 528-5400 x127, by fax (508) 528-6074, or by mail at Tri-County Regional Vocational Technical High School, c/o: Scott O'Brien, 147 Pond Street, Franklin, MA 02038 with any questions.

Students with disabilities may voluntarily identify themselves to Tri-County Regional Vocational Technical High to request reasonable accommodations during the application and admission process. Neither a student's disability nor the primary language of their home will have any effect on their admission to Tri-County Regional Vocational Technical High School.

Consistent with Massachusetts [regulations](#), Tri-County Regional Vocational Technical High School has created a plan with "deliberate, specific strategies to promote equal educational opportunities and attract, enroll, and retain a student population that, when compared to students in similar grades in sending districts, has a comparable academic and demographic profile."

VIII. SELECTION PROCESS

The Guidance Department Head and/or designee screens each application to determine if it is complete. Each criterion is translated into numerical equivalents and added, resulting in the admissions score. The score is a composite point value of the five admissions criteria computed as follows:

20 Points Achievement (English Language Arts, mathematics, social studies and science grades)

20 Points Attendance

25 Points Conduct/behavior

10 Points Recommendation/effort

25 Points Interview

= Admissions score

Students from the District are rank ordered by their admission score in descending order. Students applying from non-district towns are rank ordered by their admissions scores in descending order and their names are placed on a list entitled "Nonresident Applicants".

The Admissions Committee reviews the applications from each town to determine the final selection of entering students. The Committee also reviews the Nonresident applicants and makes recommendations for acceptance when appropriate.

All applicants who complete the admission process are notified of their status by a letter to the student and/or parent(s)/guardian(s). School Guidance Counselors will be notified as well. Students must be promoted to the next grade level in order to maintain their acceptance status. Students must pass English Language Arts and Mathematics by June of the school year in which the application was processed.

IX. ENROLLMENT AND CONDITIONAL ADMISSION

In order to enroll at Tri-County Regional Vocation Technical High School as a Grade 9 student, students must have successfully completed Grade 8. Successful completion is defined as having been promoted to Grade 9 by the local school district. For students entering as Grade 10, 11, or 12, applicants must have been promoted to the grade they wish to enter by their local school district. Nonresident students must have approval of their nonresident tuition arrangements.

Any application found to be fraudulent, or if a student is accepted under false pretense, will be deemed ineligible to enroll. If that student is already enrolled, the administration will determine the appropriate action, including withdrawal of acceptance, and possible legal action.

X. PROGRAM-SPECIFIC ADMISSION

All grade nine students who enroll in Tri-County participate in a half school year exploratory program which consists of two phases. During phase one, all grade nine students explore all vocational programs for a 1/2 day each. During phase two, all grade nine students explore six exploratory programs of their choice. Each exploratory is graded and is figured in the student's exploratory average. In January of the freshman year, students select their top three choices for a vocational major. Program choices are awarded based on space available determined by the Superintendent. If more students select a program major than there are spaces available, then the students are rank ordered by their raw score (see below). If there is a tie in exploratory scores, the tie-breaker is the student's exploratory score in that specific program. Remaining students are placed on a waiting list, rank ordered by exploratory score in that program. Those students are then placed in one of their alternate program selections. If the student's second and third choices are not available due to space availability, the guidance counselor will meet with the student and review spaces available. The guidance counselor will meet with the student on the wait list if any opening should occur during the remainder of Grade 9 and T1 Grade 10.

40 points – Average grade in all 6 explored program

20 points – Grade in 1st choice program

20 points – Conduct/Behavior

20 points – Attendance

=100 total possible points

Attendance (Grade 9)	
Half-Year	Point Value
0 – 3	20
4 – 6	10
7 – 8	5
9 – up	0

Discipline Rating	Point Value
Excellent (0 detentions, referrals, or logged incidents)	20
Good (1 detention, referrals, or logged incidents)	15

Average (2 – 4 detentions, referrals, or logged incidents)	10
Fair (1 suspension or 4+ detentions)	5
Poor (5+ detentions, referrals, or logged incidents 1+ days suspension)	0

Students who enroll in Tri-County after the completion of the Grade 9 exploratory program should explore three vocational technical programs that have openings, before making a program selection. Students are evaluated and graded by each shop instructor during the period of the exploration. If the number of enrollees seeking a particular shop exceeds the number of openings, the evaluative grades received by the students rank ordered would determine the enrollee or enrollees who are placed in a particular shop.

Students who wish to transfer from one shop to another during the school year may apply for transfer with their guidance counselor. Transfer requests will be considered subject to the availability of openings in the requested shops. Each transfer applicant will be interviewed and counseled individually to determine the appropriateness of the transfer of the particular student.

XI. REVIEW AND APPEALS PROCESS

If an applicant is not accepted, the applicant or their parents(s)/guardian(s) may request a review of the decision by sending a letter requesting a review to the Guidance Department Head within 15 days of the receipt of the decision letter. The Guidance Department Head will respond in writing within 15 days of receipt of the letter. Requests can be made in the following ways:

By e-mail	By hard-copy mail or hand delivery
maquire@tri-county.us	c/o Karen Maguire, 147 Pond St. Franklin, MA 02038

The Superintendent will respond to these requests for review in writing and indicate whether the decision to deny admission to the student will stand or be overturned. In making this determination, the Superintendent will review the process to ensure that the applicant was scored in accordance with the published admission guidelines and that the process of appeal was appropriately followed.
